Maestro Pro 12-Month Subscription Contract

Parties
Toby Jones, trading as Caffeine Media ("we", "us"), email hello@thecaffeinemediacompany.com.

The person named at sign-up ("you"), using the name and email at the bottom of this document.

1. What you get
Access to the Maestro Pro app and its Professional plan for as long as this contract is in force, on the devices your Apple ID or licence key allows.

2. Term
The contract starts when your first payment is taken and runs for 12 months (the "Minimum Term"). After the Minimum Term it carries on month to month at the then-current price until you or we cancel it. Either of us can cancel with 30 days' written notice, and no early exit fee applies once the Minimum Term has ended.

3. Price and payment
3.1 The fee is £6 per month, taken by Direct Debit (via GoCardless) on the same day each month.
3.2 We may change the fee at any time. We will email you at least 30 days before a new price applies. A new price applies from your next payment after that notice period.
3.3 Missed payments may be retried. We may suspend access while a payment is overdue.

4. Cancelling during the Minimum Term
4.1 You may cancel at any time by emailing us. Cancellation takes effect at the end of the month you have already paid for.
4.2 If you cancel during the Minimum Term, you must pay an early exit fee of one whole month's fee plus 50% of the fees for each remaining month of the Minimum Term. "Remaining months" means the months left in the Minimum Term after your cancellation takes effect.
4.3 Example: cancelling with effect after month 4 leaves 8 months. The fee is £6 + (50% x 8 x £6 = £24) = £30.
4.4 We will take the early exit fee by Direct Debit within 14 days of cancellation, or you can pay it another way we agree.
4.5 If a fee change under 3.2 would raise your monthly price, you may cancel within 30 days of the notice with no early exit fee.

5. Cooling-off
If you are a consumer, you may cancel within 14 days of starting this contract for a full refund of any payment taken, and no early exit fee applies. If you ask to start using the app within those 14 days, we may deduct a fair amount for the access you have used.

6. Our right to cancel
We may end this contract immediately if you seriously breach it, for example by sharing your licence key or by non-payment after a reminder. No early exit fee applies if we end it for any other reason.

7. Licence and acceptable use
The app is licensed to you personally and not to be resold or shared. Your licence key is for your own use.

8. Data
We use your name and email only to run your subscription, as set out in our privacy policy at thecaffeinemediacompany.com/maestro-pro/privacy.html.

9. Liability
Nothing in this contract limits liability that cannot be limited by law, including for death or personal injury caused by negligence, or fraud. Otherwise, our liability to you is limited to the fees you paid in the 12 months before the claim.

10. General
This is the whole agreement. If a clause is unenforceable, the rest still applies. This contract is governed by the law of England and Wales, and the courts of England and Wales have jurisdiction (without affecting any rights you have under the law where you live).
